

Filing a Motion and Multi-Part Motion

This will go over the screens of how to file a Motion and Multi-Part Motion. Prior to starting the action, you will need to verify any information that needs to be redacted is redacted in your word document of the Motion and Multi-Part Motion. Then please print your Motion and Multi-Part Motion document into PDF format (which flattens the document). NOTE: Do not just save the word document as a PDF because that does not flatten the document and may allow for editing to occur.

1. Click on **Bankruptcy**.

The screenshot shows the CM/ECF Bankruptcy website interface. At the top left, the 'Bankruptcy' menu item is highlighted with a red box. The main header area contains the U.S. Bankruptcy Court Northern District of Oklahoma seal and the text: 'U.S. Bankruptcy Court Northern District of Oklahoma Official Court Electronic Document Filing System'. Below this, there are three paragraphs of text: a general disclaimer about restricted access, an 'IMPORTANT' notice regarding filing requirements (Fed. R. Bankr. P. 9037), and a warning about unauthorized activity. At the bottom, there is a welcome message, a link for 'Information about viewing PDF files', and the last login date '08-13-2021 09:07' and the year 'September 2020'.

- To file a Motion for Relief and Motion for Stay, click on **Motions/Applications**.

The screenshot shows the CM ECF website's navigation menu. At the top, there is a header with the CM ECF logo and several menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, Help, and Log Out. Below this is a section titled "Bankruptcy Events". Under "Bankruptcy Events", there are two main categories: "General Filing" and "Claims". Under "General Filing", there are links for "Answer/Response/Objection...", "Appeal", "Batch Filings", "Miscellaneous/Other", "Motions/Applications" (highlighted with a red box), "Notices", and "Plan". Under "Claims", there are links for "Claim Actions", "Creditor Maintenance...", "File Claims", and "3002 Claim Supplements". Below these categories is a "Case Opening" section with links for "Judge/Trustee Assignment", "Open Voluntary BK Case", "Open Related BK Case", "Open Involuntary Case", and "Case Upload".

- Enter the case number that the Motion will be docketed in, and then click **Next**.

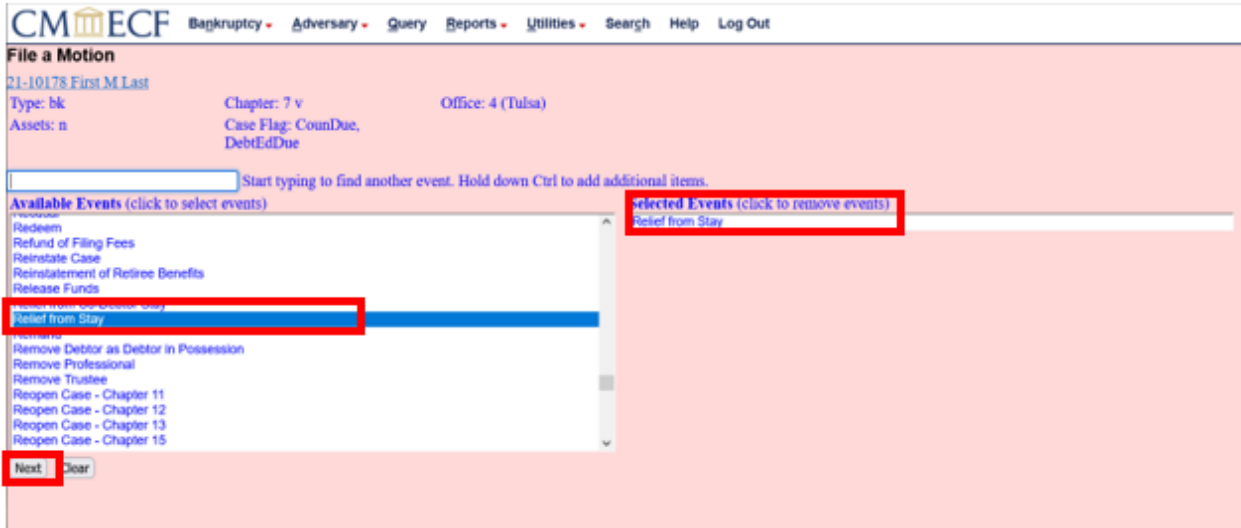

The screenshot shows the "File a Motion" page on the CM ECF website. At the top, there is a header with the CM ECF logo and several menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, Help, and Log Out. Below this is a section titled "File a Motion". Under "File a Motion", there is a "Case Number" label above a text input field containing "21-10178" (highlighted with a red box). To the right of the input field is a "Find This Case" button. Below the input field and button is a "Next" button (highlighted with a red box) and a "Clear" button.

- The next two sets of screenshots show the different options for selecting an event:
You can search for a key word such as **relief**, which is a key word in our pleading. Any events with the word relief will appear. The **Relief from Stay** is the third event that was found. Please select the **Relief from Stay** and it will put this information to the right under **Selected Events**.

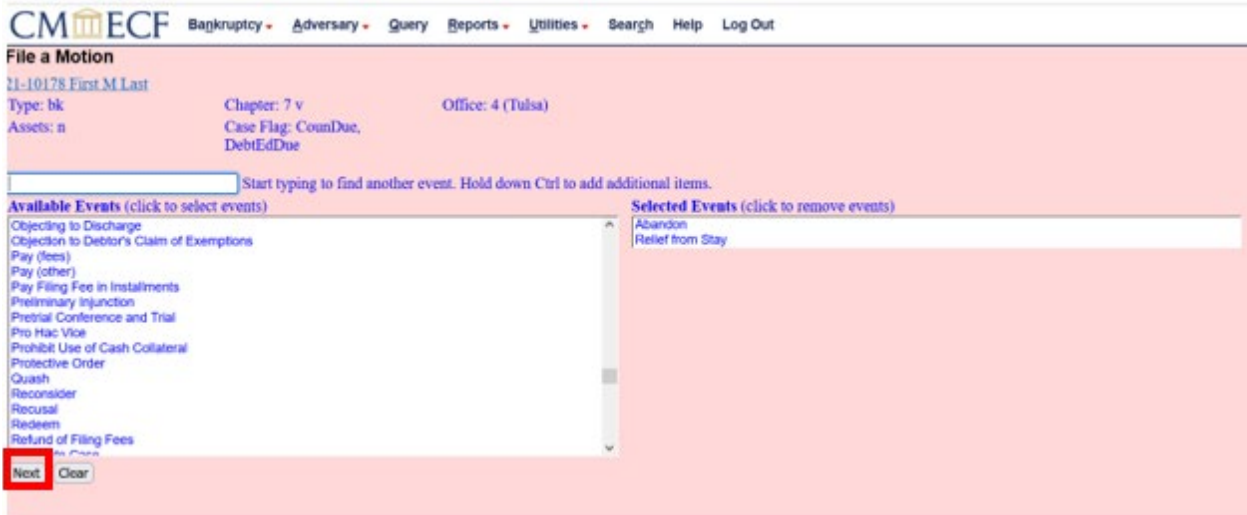

- After selecting Relief from Stay, it will show in the **Selected Events** box to the right. You are ready to add a second motion, which is why it is called a Multi-Part Motion. You are able to select the second type of request for relief. In this case, we want to add a Motion to Abandon. The system wants us to either search for a new event or proceed with the selected event by clicking enter. You can use the **scroll bar** to take you to the top of the list to review for the Motion options in alphabetical order.

- You see Abandon at the top of the list, which is the event we are looking for. To add the event to the one you already selected (Relief from Stay), hold down the **Control** button while selecting the event. You have now selected Relief from Stay and Abandon for your pleading. The Selected Events box on the right will reflect both motions.

- There are no other events to add. Click on **Next**.

- 8. This screen asks if you are filing jointly with other attorney(s). In this scenario we are not, so click **Next**. If you are filing jointly, select the box prior to clicking **Next**.

If you are filing an amended or corrected motion and the fee was paid for the original motion you may enter 0.0 for the fees.' Below the text are two input fields, both containing '\$ 188'. The first field is highlighted with a red box. Below the fields are 'Next' and 'Clear' buttons.
